COMPLIMENTS

RGM Teresa Horning (right) and crew from Liberty, KY Pizza Hut

"I was just talking with my contact at the Casey County News and he wanted me to be sure and pass this on. He stated that he's eaten at many Pizza Huts around including Saudi Arabia and Liberty, KY has the best crew, service and restaurant! The crew knows him and his family on sight and what they like to drink. The food is always great as well as the atmosphere. He said Teresa is an outstanding manager and it shows in the store. I thanked him for his comments and let him know we agree! Keep up the great work in Liberty!" - Christine Kelley, marketing assistant

RGM Kevin Cronk from Livingston, TN Pizza Hut

"I called in two pizzas for carryout. I went in to get the pizzas and the server/cashier was super nice. I got my pizzas and went back to my car when I realized I had locked my key in the car. That super nice server must have seen me panic because he came out to check on me and offered to keep my pizzas in the pizza warmer. I told him no my nine year old son would want to eat while we wait. The server got us plates and drinks. After being on the phone with my husband to drive 45 minutes to bring me an extra key, the server called the police for me to help me get in my car. Since it was 15 degrees outside I trusted my son to sit at the table until we were able to leave. An hour later, the police broke into my car, my son was full and warm and that waiter was absolutely awesome. I wish I had the cash on me to at least leave him a tip for all he did for us. I hope corporate reads this and it goes down to reach this employee. Thank you." - Stephanie Crockett

David Horton from Delano - Wichita, KS Pizza Hut

"I would like to thank and praise David for helping me out because my apartment is in no man's land. David was very helpful because after several locations saying they couldn't deliver to me he took it upon himself to deliver it without any hassle and made it a great experience and I'm very appreciative of his help. He went above and beyond." - David Varner

COMPLIMENTS

Crew from Albany, KY Pizza Hut

"Restaurant was so clean I sat on the floor and ate my food on the carpet. Got a cookie and sat in the toilet and ate it. Not really, but the store is super clean and well managed. I'd like to give them 16 thumbs up and want to tell them how special this experience was for me."

Quentin Yates from Reflection Ridge - Wichita, KS Pizza Hut

"The food was very good! On top of that, the kid that gave me my food was very polite and nice with a smile on his face. Just how I would like to be greeted! I think his name was Quentin but either way, I was very impressed and will be coming back for more!" - Hannah Jergenson

GIVING BACK

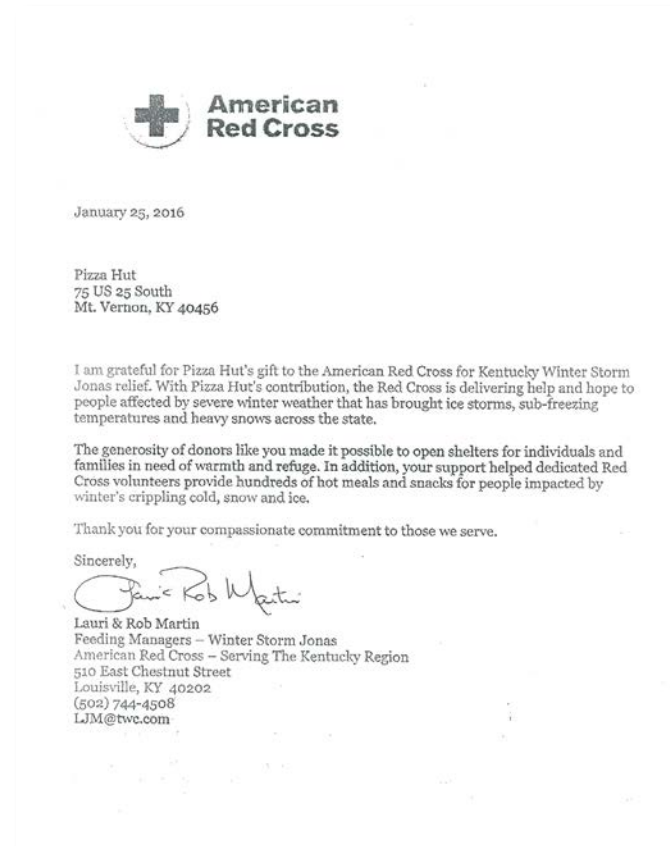

Heart Shaped Pizzas to Warm Hearts

The **Anadarko, OK** community is reeling in the wake of the fourth suicide of a young person since the start of the year. Members of the religious community organized an outreach event on January 31st that they hoped could heal some of the wounds that have harmed the city. Pizza Hut donated heart shaped pizzas to the event. Pictured is **RGM Ron Hargrave**, Anadarko, OK Pizza Hut and other volunteers.

Newton, Kansas Jail Break Dodgeball Tournament

Taco Bell raised over \$5,100 for the Kansas Food Bank's Food 4 Kids Program... specifically to benefit the kids in and around the city of Newton. Fan participation and team participation were fantastic with 13 teams of 10 players each. We had a professional MC and DJ to keep the atmosphere high energy. The event was such a success there is talk of making it an annual endeavor.

"RGM Gale Cromer, Mt Vernon, KY Pizza Hut, donated pizzas to feed the stranded motorists on the interstate during the snow storm in January."
- Pat Turpin, Pizza Hut district manager

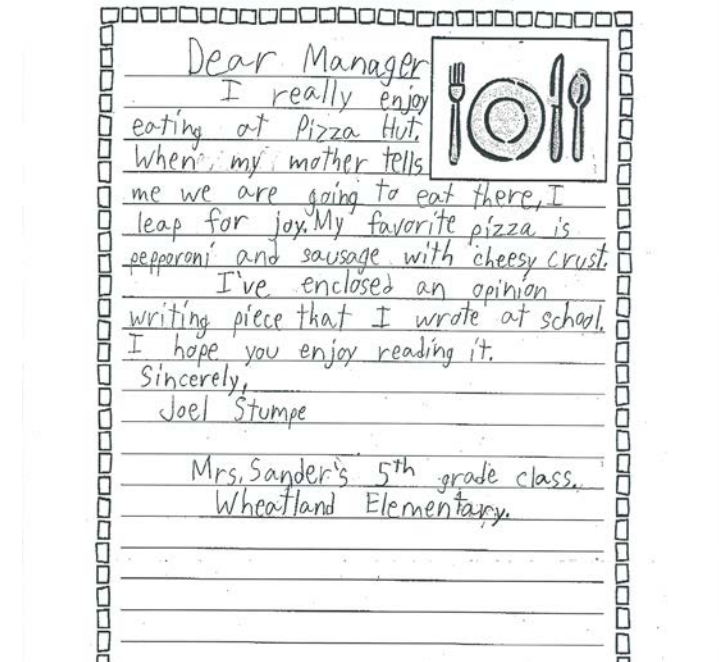

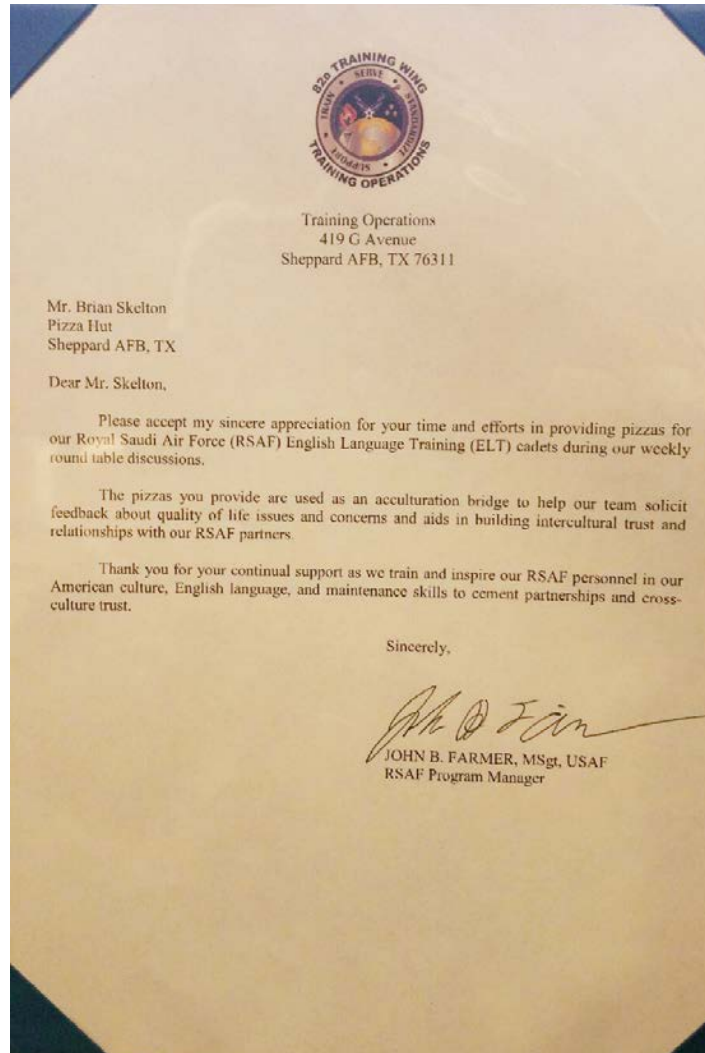

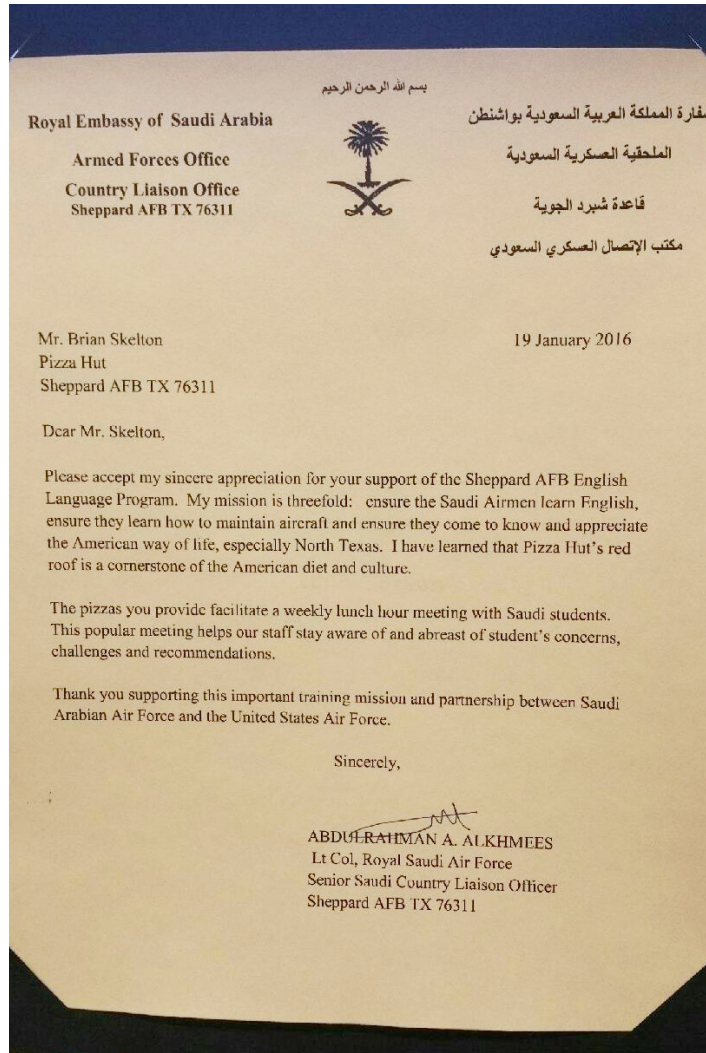

"This is for helping the homeless youth in the local area to raise money."

Pizza Hut teamed with Marvel to promote the latest movie Captain America: Civil War through in store POP such as life size standees, cut out pole signs and movie themed pizza boxes. My bet is still on General Pat for the win, though!

Babies

Emmett Liam Rodriguez was born on March 30, 2016 at 4:50 am to Cesario and Jordan Rodriguez. He was 6 lbs. 10 oz. and 19" long. Cesario is the director of human resources at the home office. And because Emmett was a couple of days early he got to attend his very own shower at the home office. He was a little angel and slept the entire time. What a cutie! Welcome, Emmett!
